

SUPPLEMENT No. 3

TO

THE CYPRUS GAZETTE No. 2632 OF 4TH FEBRUARY, 1938.

SUBSIDIARY LEGISLATION.

No. 13.

THE DANGEROUS DRUGS LAWS, 1925 TO 1932.

ORDER IN COUNCIL No. 1769

MADE UNDER SECTION 6 OF THE DANGEROUS DRUGS (AMENDMENT) LAW, 1932.

H. R. PALMER, Governor.

Whereas it is enacted by section 6 of the Dangerous Drugs (Amendment) Law, 1932, that if His Excellency the Governor in Council thinks fit to declare that a finding with respect to any preparation containing any of the drugs, to which Part III of the Dangerous Drugs Laws, 1925 to 1932, applies, has, in pursuance of Article 8 of the International Opium Convention signed at Geneva on behalf of His Majesty on the nineteenth day of February, nineteen hundred and twenty-five, been communicated by the Council of the League of Nations to the Parties of the said Convention, the provisions of the said Part III shall as from such date as may be specified in the Declaration cease to apply to the preparations specified therein:

Now, therefore, His Excellency the Governor, with the advice of the Executive Council, is pleased to declare and it is hereby declared that findings with respect to the preparations specified in the Schedule hereto have in pursuance of Article 8 of the said Convention been communicated by the Council of the League of Nations to the parties to the said Convention and that the date from which the provisions of Part III of the Dangerous Drugs Laws, 1925 to 1932, shall cease to apply to the said preparations shall be the 13th day of June, 1937.

No. 14

THE DANGEROUS DRUGS LAWS, 1925 TO 1932.

ORDER IN COUNCIL No. 1770 MADE UNDER SECTION 11 (2).

H. R. PALMER, Governor.

Whereas by section 11 (2) of the Dangerous Drugs Laws, 1925 to 1932, power is conferred on His Excellency the Governor by Order in Council to declare that Part III of the said Laws shall apply to any drug of whatever kind in the same manner as it applies to the drugs mentioned in sub-section (1) of the said section 11 if it appears to him that the drug is or is likely to be productive, if improperly used, or is capable of being converted into a substance which is or is likely to be productive, if improperly used, of ill effects substantially of the same character or nature as or analogous to those produced by Indian hemp, morphine or cocaine:

And whereas it appears to His Excellency the Governor that all preparations, admixtures or other substances (except syrupus Codeinae Phosphatis B.P.C. 1934) containing any proportion of methylmorphine (commonly known as codeine) or ethylmorphine (commonly known as dionin) associated with an inert substance whether solid or liquid and all preparations, admixtures or other substances containing more than 2.5 per cent. of methylmorphine or ethylmorphine (calculated as pure
