3. The following regulations shall be inserted in the principal Regulations immediately after regulation 45:—

"Measures
for safety
of vessels
in port.

45A.—(1) Any person authorized by the Governor to act under this regulation (hereafter in this regulation referred to as "an authorized person") may give directions to the owner or master of any vessel which is for the time being at a port in the Colony requiring him—

(a) to take such steps as may be specified in the directions for the purpose of securing that, while the vessel remains at the port, fires occurring in the vessel as the result of hostile attack will be immediately detected and combated;

(b) to secure that, while the vessel remains at the port, either at all times or during such periods as may be so specified—

(i) in a case where the vessel is equipped with a gun or other instrument or device capable of being used to defend the vessel against hostile attack, that the gun, instrument or device will be manned; and

(ii) in a case where the vessel is a ship propelled by mechanical power, that she is capable of being moved under her own power immediately when ordered to do so;

(c) for the purpose of taking such steps or securing such matters as aforesaid, to secure that such number of persons, or such number of persons of such class or description, as may be so specified, shall be on board the vessel, either at all times while she remains at the port or during such periods while she so remains as may be so specified;
