

No. 400. THE DEFENCE REGULATIONS, 1940 TO (No. 1) 1943.

ORDER MADE BY THE COMPETENT AUTHORITY UNDER REGULATION 61.

In exercise of the powers vested in me by virtue of my appointment by the Governor as Competent Authority for the purposes of regulation 61 of the Defence Regulations, 1940 to (No. 1) 1943, I hereby order as follows:—

1. This Order may be cited as the Defence (Medical Supplies) Order, 1943.

Short title.

2. In this Order, unless the context otherwise requires—

Definitions.

“chemist and druggist” means any person registered as such under the provisions of the Pharmacy Laws, 1900 and 1926, and includes any medical practitioner who is practising his profession in any village in which there is no chemist and druggist carrying on business.

“Controller” means the person appointed by the Governor as Controller of Medical Supplies.

“Deputy Controller” means a Deputy Controller of Medical Supplies appointed as such by the Governor.

“dentist” means any person registered as such under the provisions of the Dentist Registration Laws, 1926 to 1939.

“importer” means any person who either directly or indirectly imports medical supplies into the Colony:

Provided that in the case of any medical supplies consigned to any person in the Colony for the account of any person abroad, the person to whom the medical supplies are consigned in the Colony shall be deemed to be the importer.

“medical practitioner” means any person registered as such under the provisions of the Medical Registration Laws, 1936 to 1943.

“Medical Supplies Control Officer” means a person appointed as such by the Controller.

“medical supplies” means any drugs, proprietary medicines, chemical products, pharmaceutical preparations, sera and vaccines, and includes surgical instruments, surgical supplies, surgical dressings, hospital appliances, medical appliances, opticals, dental instruments, dental appliances, dental materials, dental supplies, X-Ray films, X-Ray accessories, X-Ray appliances, X-Ray materials and laboratory equipment.

“registered importer” means any person registered under the provisions of this Order as an importer of medical supplies.

“sale and sell” include—

- (i) any offer to sell;
- (ii) any attempt to sell;
- (iii) any arrangement to sell made either directly or indirectly, whether such arrangement is to sell by cash or on credit; and

references to an “offer to sell” any medical supplies include references to a notification by a person:—

(a) of the price proposed by him for the sale of such medical supplies whether made by the publication of a price list, by the furnishing of a quotation or otherwise howsoever; or

(b) of the price proposed by him for medical supplies which he has sold or agreed to sell in such circumstances that the buyer is liable to pay a reasonable price therefor, whether made by furnishing an account or otherwise howsoever.

“purchase” includes—

- (i) any offer to purchase;
- (ii) any attempt to purchase;
- (iii) any arrangement to purchase made either directly or indirectly whether such arrangement is to purchase by cash or on credit; and

references to an “offer to purchase” any medical supplies include references to a notification by a person of the price proposed by him for the purchase of such medical supplies by the furnishing of a quotation or otherwise howsoever.

“village retailer” means any person entitled to sell any medical supplies under the proviso to clause 9 of this Order.

3. No person other than a registered importer shall import any medical supplies into the Colony.

Importation of medical supplies.

4.—(1) Any person who wishes to be registered as an importer of medical supplies shall make application to the Controller in writing setting forth his full name and address and stating whether he has imported any medical supplies since the 1st day of January, 1939.

Registration of importers.

(2) Upon receipt of an application as in sub-clause (1) of this clause provided the Controller may register the applicant as an importer of medical supplies and issue to him a certificate of registration under his hand or the hand of a Deputy Controller:

Provided that no person shall be registered as an importer under the provisions of this clause unless he proves to the satisfaction of the Controller that he has actually imported medical supplies since the 1st day of January, 1939.

Possession or dealings in medical supplies prohibited save under licence.

5.—(1) No person shall deal, sell or have in his possession or under his control any medical supplies without a licence from the Controller or from a Deputy Controller :

Provided that nothing in this sub-clause shall apply to any medical supplies in the possession or under the control of any person if such medical supplies are held by such person in normal quantities as provided under clause 18 of this Order.

(2) Any person desiring to obtain a licence under sub-clause (1) of this clause shall apply to the Controller in writing setting forth his full name and address.

(3) Any licence issued under sub-clause (1) of this clause may contain such terms and conditions as the Controller or a Deputy Controller may think fit to impose.

(4) No licence shall be issued under sub-clause (1) of this clause except to registered importers, to chemists and druggists, and to village retailers.

Returns by importers.

6. Every registered importer shall, within three days from the day on which any medical supplies are withdrawn from the Customs, complete and deliver to me a return in the form set forth in the First Schedule hereto, giving the particulars therein set out.

No sale until after the expiration of ten days.

7.—(1) Save under a permit granted by the Controller or by a Deputy Controller or by a Medical Supplies Control Officer, no registered importer shall make use of, sell or otherwise dispose of any medical supplies until after the expiration of ten days from the day on which such medical supplies have been withdrawn from the Customs.

(2) A permit issued under the provisions of sub-clause (1) hereof may contain such terms and conditions as may be specified therein.

Importers to sell only to chemists and druggists.

8. No registered importer shall sell or otherwise dispose of any medical supplies except to a chemist and druggist :

Provided that any registered importer may sell—

(a) any of the medical supplies specified in Part I of the Second Schedule hereto or any other medical supplies approved from time to time by me in writing, to any person residing in any village in which there is no chemist and druggist carrying on business, for the purpose of resale by such person of such medical supplies to the public ;

(b) any of the medical supplies specified in column (1) of Part II of the Second Schedule hereto to any person or class of persons shown in column (2) opposite each medical supply ;

(c) any medical supplies specified in a special permit issued under my hand or under the hand of a Deputy Controller, to any person specified in the permit ;

(d) any opticals, to the public.

Only chemists and druggists to sell to the public.

9. Subject to the provisions of paragraph (d) of clause 8 of this Order no person, other than a chemist and druggist, shall sell any medical supplies to the public :

Provided that any person, residing in any village in which there is no chemist and druggist carrying on business, may sell to the public any of the medical supplies specified in Part I of the Second Schedule hereto, or any other medical supplies approved from time to time in writing by the Controller, where such medical supplies have been sold to such person under paragraph (a) of the proviso to clause 8 of this Order.

Controller may prohibit sale, etc.

10. Notwithstanding anything in this Order contained—

(a) the Controller of Medical Supplies or a Deputy Controller may by an order in writing prohibit any registered importer from selling, making use of or in any way disposing of any medical supplies in his possession or under his control save under a permit issued under the hand of the Controller or of a Deputy Controller or a Medical Supplies Control Officer ;

(b) no chemist and druggist shall make use of, sell or in any way dispose of any of the medical supplies specified in Part III of the Second Schedule hereto save—

(i) in pursuance of a prescription given by a medical practitioner ; or

(ii) in pursuance of a permit issued under my hand, the hand of a Deputy Controller or the hand of a Medical Supplies Control Officer ;

(c) no registered importer or chemist and druggist shall make use of, sell or otherwise dispose of any of the medical supplies specified in Part IV of the Second Schedule hereto save in pursuance of a permit issued under the hand of the Controller or of a Deputy Controller or a Medical Supplies Control Officer ;

Books to be kept.

11.—(1) Subject to the provisions of sub-clause (2) every person licensed under the provisions of this Order shall keep the following books and vouchers, that is to say :—

(a) " Register Book " in the form set forth in Part I of the Third Schedule hereto, the pages of which shall be bound together and numbered consec-

- tively wherein he shall enter or cause to be entered in ink or indelible pencil the particulars set forth in the said part of the said Schedule—
- (i) in the case of receipts of medical supplies, as soon as the medical supplies are received;
 - (ii) in the case of issues of medical supplies, not later than 15 days after the last day of each month.
- (b) "Sales Record Book" in the form set forth in Part II of the Third Schedule hereto, the pages of which shall be bound together and numbered consecutively wherein he shall enter or cause to be entered in ink or indelible pencil, at the time of sale of any medical supplies, the particulars set forth in the said part of the said Schedule.
 - (c) "Daily Issues Book" in the form set forth in Part III of the Third Schedule hereto wherein he shall enter or cause to be entered, at the end of each day the total quantity of medical supplies issued on that day together with such other particulars as may be specified in such part of such Schedule: Provided that in lieu of a Daily Issues Book there may be kept loose leaflets in such form and containing such particulars as may be approved in writing by the Controller or by a Deputy Controller or a Medical Supplies Control Officer.
 - (d) Vouchers, numbered consecutively and showing the quantity of the medical supplies, the cost price thereof, the date of purchase thereof and the address and signature of the seller for the purpose of verifying any entries relating to the receipt of such medical supplies and made in the Register Book prescribed in paragraph (i) of this sub-clause.
- (2) Village retailers who sell or expose for sale or hold stocks of any medical supplies need keep only the Sales Record Book prescribed in paragraph (b) of sub-clause (1) of this clause or such other Book and in such form as may be approved from time to time by the Controller or by a Deputy Controller or by a Medical Supplies Control Officer.
 - (3) Every person keeping a Register Book shall on the 30th day of June and the 31st day of December of every year, add all the entries up to date and strike a balance in such book showing the difference between medical supplies received and medical supplies issued.

12.—(1) Every person selling medical supplies (hereafter in this clause referred to as "the seller") shall date, sign and give to the purchaser at the time of the sale of such medical supplies a receipt numbered consecutively and showing the full name and address of the purchaser the name and quantity of the medical supplies sold and the amount of the sale price and containing, in respect of such medical supplies a reference to the page number which appears in the Sales Record Book prescribed in clause 11 (1) (b) of this Order or the number of the prescription under which the medical supplies have been dispensed: Receipts.

Provided that where the sale is made to a person other than a chemist and druggist and the sale price is eighteen piastres or less, no such receipt need be given except on demand by the purchaser.

(2) Every seller shall keep in his business premises a carbon copy of every receipt issued by him and such copies shall be bound together.

13.—(1) Every person who exposes for sale, or holds a stock of any medical supplies shall exhibit and keep exhibited at a conspicuous place on his premises a list showing the maximum price at which each such medical supply is offered for sale (in this clause referred to as "the list"). Lists.

(2) The list shall—

- (a) be typewritten or legibly written in ink; and
- (b) shall bear the date on which it is made; and
- (c) shall give a sufficiently detailed description of each medical supply so as to enable a prospective purchaser to identify the medical supplies purchased with the medical supplies described in the list; and
- (d) shall be signed at the end thereof by the owner of the medical supplies:

Provided that if the list consists of more than one sheet, each sheet shall be signed by such owner and all such sheets shall be bound together and numbered consecutively.

(3) Every alteration, cancellation or erasure made in any list shall be initialled in ink by the owner of the medical supplies who shall also record thereon the date on which such alteration, cancellation or erasure was made.

(4) Notwithstanding anything in this Order contained but without prejudice to the operation of clauses 24 and 25 of this Order, no person shall sell any medical supplies in excess of the maximum price shown in the list exhibited by such person.

(5) The maximum price shown in a list at which each medical supply is offered for sale shall not exceed the maximum price at which such medical supply may otherwise be sold or disposed of under the provisions of this Order.

14. The Controller may appoint inspectors to enquire:—

- (a) into the stocks of any medical supplies which are in the possession or under the control of any person or persons; Appointment of inspectors.

- (b) into the basic value or sale price of any medical supplies to which this Order applies ;
- (c) whether the provisions of this Order have been or are being complied with.
- Powers of inspectors.** 15. Every inspector appointed under the provisions of clause 14 of this Order may—
- (i) require any person to make a declaration in writing—
 - (a) of the stock of any medical supplies in his possession or under his control ; and
 - (b) of the basic value or sale price of any medical supplies to which this Order applies ;
 and thereupon such person shall make a declaration in writing accordingly ;
 - (ii) enter upon any premises for carrying out any inspection or search reasonably required in connection with the purpose for which he has been appointed.
- Persons to permit entry of inspectors.** 16. Every person shall permit any inspector appointed under the provisions of clause 14 of this Order to enter upon his premises for carrying out any inspection or search reasonably required in connection with the purpose for which he has been appointed.
- Questions by inspectors and production of documents.** 17. At any inspection or search of premises made under the provisions of clause 15 of this Order the owner or person in charge of the premises at the time shall—
- (a) answer truly all questions put to him by the inspector carrying out such inspection or search ; and
 - (b) produce for inspection to such inspector all books and documents and voucher in his possession or under his control.
- Normal quantity only to be possessed.** 18.—(1) Save under the authority of a permit under my hand, or the hand of a Deputy Controller no person shall have in his possession or under his control a quantity of any medical supplies which exceeds the normal quantity.
- (2) In this clause the expression “ normal quantity ” means such quantity as would be required for use or consumption in the household of that person during a period of sixty days immediately following the date upon which he acquired same or such longer period as ought fairly to be allowed by reason of the nature of the medical supplies or in view of the existence of any special circumstances.
- (3) Nothing in this clause shall apply to any person licensed under the provisions of this Order in respect of any medical supplies held by him in connection with his business.
- Holding up stocks.** 19.—(1) No person licensed under the provisions of this Order who has in his possession or under his control in the course of his business any medical supplies shall, when asked by any other person (hereafter in this clause referred to as “ the buyer ”) to sell any such medical supplies or whether he has any such medical supplies :—
- (a) refuse to sell such medical supplies or deny that he has such medical supplies or use any words or give any other indication calculated to lead the buyer to suppose that he has not got such medical supplies or will not or cannot sell them ; or
 - (b) offer to sell such medical supplies subject to a condition requiring the buying of any other articles (whether imported or not) or the making of any payment in respect of any service or subject to any other condition, except a condition that the buyer shall pay the price thereof.
- (2) It shall be a defence for a person charged with a contravention of sub-clause (1) of this clause to prove to the satisfaction of the Court—
- (a) that the buyer was not ready and willing to pay the price of the medical supplies forthwith ;
 - (b) that the sale of the medical supplies having regard to the quantity thereof which he was requested to sell would involve a breach of some obligation lawfully binding on him.
- Reasonable stock to be kept on premises.** 20. Except under the authority of a permit under the hand of the Controller or of a Deputy Controller every person who carries on business in respect of any medical supplies who has in his possession or under his control in any part of the Colony any such medical supplies, shall keep on his premises in which he usually carries on business a reasonable stock of such medical supplies to meet the reasonable demands of the public or of prospective purchasers.
- Sale by auction prohibited.** 21. Except under the authority of a permit under the hand of the Controller or of a Deputy Controller no person shall sell any medical supplies by auction.
- Fraction of ten paras.** 22. Whenever the price for the whole quantity of a medical supply involves the payment of a fraction of ten paras, there may be charged and paid therefor a sum of ten paras.

23. No person shall in the course of any business transfer, agree to transfer or offer to transfer to another person the property in any medical supplies, whether with or without any further consideration, for a consideration which consists of or includes the transfer by that other person of the property in other articles whether imported or not.

Barter of medical supplies prohibited.

24. Subject to any definitions, conditions, exceptions, limitations and modifications as are set out in Part I of the Fourth Schedule hereto, no person shall sell any of the medical supplies set out in column (1) of the said part of the said schedule at a price exceeding :—

Prices of medical supplies set out in Part I of the Fourth Schedule.

- (a) in the case of any person registered only as an importer, the price specified in column (2) of the said part of the said schedule relating to such medical supplies ;
- (b) in the case of any person, other than a person registered only as an importer, entitled to sell medical supplies under the provisions of this Order, the price specified in column (3) of the said part of the said schedule relating to such medical supplies.

25.—(1) The price of any medical supplies set out in column (1) of Part II of the Fourth Schedule hereto, shall be fixed and regulated in accordance with the following provisions, that is to say :—

Prices of medical supplies other than those set out in Part II of the Fourth Schedule.

- (a) no importer or importer who is also a chemist and druggist (in this paragraph referred to as " the seller ") shall sell to any chemist and druggist or to a village retailer any such medical supplies at a price which would give such seller a profit in excess of the percentage of profit shown in column (2) of Part II of the Fourth Schedule hereto, such percentage of profit to be calculated on the basic value of such medical supplies in relation to an importer ;
- (b) no chemist and druggist or village retailer who has purchased from any importer any such medical supplies shall sell any such medical supplies at a price which would give such chemist and druggist or village retailer a profit in excess of the percentage of profit shown in column (3) of Part II of the Fourth Schedule hereto, such percentage of profit to be calculated on the basic value of such medical supplies in relation to a chemist and druggist ;
- (c) where a chemist and druggist purchases any such medical supplies from another chemist and druggist (in this paragraph referred to as " the vendor ") and resells same, the following provisions shall apply :—
 - (i) if the vendor has included in the sale price the full percentage of profit permitted to be added under the provisions of paragraph (b) of this sub-clause, the reseller shall not add any other percentage of profit ;
 - (ii) if the vendor has not included in the sale price the full percentage of profit permitted to be added under the provisions of paragraph (b) of this sub-clause the reseller may, when selling such article, add to the sale price thereof such percentage of profit as would bring up the percentage of profit to the full percentage of profit permitted under the provisions of the said paragraph ;
- (d) no importer who is also a chemist and druggist (in this paragraph referred to as " the vendor ") shall sell to the public any such medical supplies at a price which would give the vendor a profit in excess of the one third percentage of profit shown in column (3) of Part II of the Fourth Schedule to this Order, such percentage of profit to be calculated on the maximum price which the vendor would be entitled to receive under this Order had the sale thereof been made by him to a chemist and druggist as in paragraph (a) of this sub-clause provided.

(2) Notwithstanding anything in this clause contained no person shall sell any medical supplies set out in column (1) of Part II of the Fourth Schedule hereto unless such person —

- (a) being an importer or an importer who is also a chemist and druggist, is in possession of the invoice relating to such medical supplies and of such other documents relating thereto as are referred to in sub-paragraphs (ii), (iii) and (iv) of paragraph (a) of the definition of basic value in sub-clause (4) of this clause ;
- (b) being a chemist and druggist or village retailer, is in possession of a receipt furnished to him by the seller at the time of the sale relating to such medical supplies and of a document relating thereto showing the reasonable expenses incurred by such person for the transport of such medical supplies from the place at which he has taken delivery thereof to the place where he sells the same ;

Provided that any person desiring to sell any of such medical supplies without being in possession of the documents hereinbefore mentioned shall, before selling the same, apply to the Controller or the Deputy Controller for the fixing of the maximum price at which such medical supplies shall be sold and thereafter no person shall sell such medical supplies at a price in excess of the maximum price so fixed.

(3) If any difference arises as to the proper description of any medical supplies with reference to Part II of the Fourth Schedule hereto, the same shall be referred to the Controller whose decision thereon shall be final and conclusive.

(4) For the purposes of this clause and of clauses 14 and 15 of this Order—
“Basic value” means—

(a) in relation to an importer :—

- (i) the price of the medical supplies at the place of shipment as shown in the invoice relating to such medical supplies, when imported into the Colony ; and
- (ii) the relative expenses, if any, at the place of shipment ; and
- (iii) the amount of insurance, freight or postage, postal or telegraphic expenses, bank commission, landing charges, import duties, wharfage dues and any other toll, due or charge, if any, paid by such person in relation to such medical supplies at the time of taking delivery thereof from the custody or control of the customs but shall not include any interest, commission or other remuneration paid to any person in relation to such medical supplies except that, with the approval of the Controller or the Deputy Controller, commission not exceeding 5% paid by any importer to an agent abroad in relation to such medical supplies, may be included ; and
- (iv) the reasonable expenses incurred by the importer for the transport of such medical supplies from the place in the Colony at which he has taken delivery thereof to the place where he sells such medical supplies ;

(b) in relation to a chemist and druggist—

- (i) the price at which he has purchased the medical supplies within the Colony as shown in the receipt furnished by the seller at the time of the sale : Provided that such price shall not exceed the maximum price at which such medical supplies ought to have been sold under this or any other Order in force for the time being, and
- (ii) the reasonable expenses incurred by the chemist and druggist for the transport of such medical supplies from the place at which he has taken delivery thereof to the place where he sells such medical supplies.

Opticals
made up,
etc., before
sale.

26. Whenever any opticals before they are used or sold are made up, put together, fixed, modified, altered or repaired, in every such case the following provisions shall have effect, that is to say—

- (a) the person who sells such opticals shall supply the purchaser with a receipt showing separately the price charged in respect of such opticals apart from any making up, putting together, fixing, modification, alteration or repair ;
- (b) the price charged in respect of such opticals apart from any making up, putting together, fixing, modification, alteration or repair shall not exceed the maximum price at which such opticals may otherwise be sold or disposed of under the provisions of this Order ;
- (c) the amount charged in respect of any making up, putting together, fixing, modification, alteration or repair shall not exceed the actual cost incurred in connection therewith including reasonable charges for overhead expenses and for labour.

Amendment
of Schedules.

27. The Schedules hereto may be amended by the Controller by notice published in the *Gazette* and upon such publication such amendment shall form part of this Order for all purposes.

Exemptions.

28. Nothing in this Order contained—

- (1) shall apply or shall be construed as applying to—
 - (a) samples of any proprietary medical supplies where such samples are issued free of charge, or
 - (b) the sale of any of the medical supplies specified in Part I of the Fifth Schedule hereto where such medical supplies are to be utilized in any process or manufacture necessary to the carrying on of any trade, craft or business or for any domestic purpose.

R. L. CHEVERTON,
Controller of Medical Supplies,
Competent Authority.

No. 401. THE DEFENCE REGULATIONS, 1940 TO (No. 1) 1943.

ORDER MADE BY THE COMPETENT AUTHORITY UNDER REGULATION 61.

In exercise of the powers vested in me by virtue of my appointment by the Governor as Competent Authority for the purpose of regulation 61 of the Defence Regulations, 1940 to (No. 1) 1943, I hereby order as follows :—

1. This Order may be cited as the Defence (Dispensation of Drugs) Order, 1943, and shall come into operation on and from the 22nd November, 1943.

2. In this Order unless the context otherwise requires—

“drugs” means any proprietary medicines, chemical products and any preparations used for pharmaceutical purposes.

“chemist and druggist” means any person registered as such under the provisions of the Pharmacy Laws, 1900 and 1926 and includes any medical practitioner registered as such under the provisions of the Medical Registration Laws, 1936 to 1943 who is practising his profession in any village in which there is no chemist and druggist carrying on business.

“dispensing” means the actual compounding of a prescription by utilizing or applying any of the methods or means mentioned in column (1) of the Schedule hereto.
