THE DISEASES OF PLANTS PREVENTION LAW.

CAP. 80.

In exercise of the powers vested in him by the Diseases of Plants Prevention Law, Cap. 80, His Excellency the Governor is pleased to order and it is hereby ordered as follows:—

1. This Order may be cited as the Mediterranean Fruit Fly Order, 1956.

2. In this Order, unless the context otherwise requires—

the expression “Director of Agriculture” includes all officers of the Department of Agriculture and any other person or persons as shall be appointed in writing by the Director of Agriculture for the purposes of this Order.

3. Within any district, area or place declared by the Governor to be infested by the insect known as *Ceratitis capitata*, Weid., the Mediterranean Fruit Fly, the following provisions shall have effect:—

(a) All fruit-bearing tangerine, oval orange, and sweet orange trees within the said district, area or place, shall be sprayed at least once a year with the insecticide known as Dieldrin.

(b) The rate of application of the insecticide Dieldrin shall be as follows:—

For trees 4 to 8 years old, minimum $\frac{1}{2}$ oke of 25% Dieldrin per donum.

For trees 9 to 15 years old, minimum 1 oke of 25% Dieldrin per donum.

For trees over 15 years old, minimum 1.1/2 oke of 25% Dieldrin per donum.

The required quantity of insecticide as above shall be diluted in water and sprayed on the outer foliage of the trees. The dilution suggested is 16 drams of 25% Dieldrin per 10 okes of water. Should 50% Dieldrin be used, the above rates of Dieldrin shall be reduced to one-half.

(c) The treatment shall be carried out soon after September 20th, and not later than October 20th unless otherwise prescribed by the Director of Agriculture by a notice in the *Gazette*.

- 4.—(a) Gardens containing less than 10 orange and/or tangerine trees shall be exempted from these regulations.
 (b) Growers whose trees, although over 4 years old, bear no fruit, may apply to the Director of Agriculture for exemption from these Regulations.
5. Should a grower fail to spray his trees as prescribed above, the Director of Agriculture may arrange for the spraying to be carried out by a commercial or government owned spray unit. The cost of such treatment shall be collected from the grower.
6. The Mediterranean Fruit Fly Order, 1933, is hereby revoked without prejudice to anything done or left undone thereunder.
