EXPLANATORY NOTE.

(This Note is not part of the Licence but it is intended to explain its general purport.)

This Open General Import Licence replaces Licence No. 8000 from which it differs in so far as :—

- (a) certain new items have been included ;
- (b) certain goods have been excluded or more closely specified ;
- (c) Burma, the Federation of Malaya, Finland and Ghana have been added to the countries to which the licence applies ; and
- (d) the Second Schedule has been omitted.

The import of many goods included in the Open General Import Licence is subject to a permit under the hand of the Director of Agriculture or other appropriate Authority, as the case may be. The fact that any such goods are included in this Open General Import Licence does not mean that import will be permitted unless the importer holds the necessary permit from the appropriate Authority.
